

**In the United States District Court  
for the Southern District of Texas, Houston Division**

**Lewis Brisbois Bisgaard & Smith,  
LLP,**

Plaintiff,

v.

**Michael Joseph Bitgood a/k/a “Michael  
Easton,” *et al.***

Defendants.

**Civil Action No. 4:22-cv-3279**

**Jury Demanded**

**AFFIDAVIT OF WILLIAM S. HELFAND**

STATE OF TEXAS

§

§

COUNTY OF HARRIS

§

Before me, the undersigned authority, on this day did personally appear **WILLIAM S. HELFAND**, who after first being duly sworn by me, did depose and state as follows:

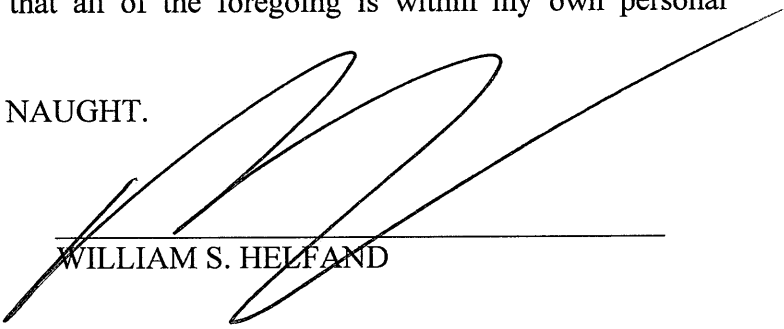

1. My name is William S. Helfand. I am lead counsel of record for the Plaintiff, Lewis Brisbois Bisgaard & Smith LLP, in this action. I am over 21 years of age, have never been convicted of a felony, and I am fully competent and authorized to make this affidavit. I declare under penalty of perjury that all of the matters stated in this Affidavit are within my personal knowledge, true, and correct, because the statements relate to matters I know personally observed or in which I have personally participated.
2. I am an equity partner of the law firm Lewis Brisbois Bisgaard & Smith LLP. I have been licensed to practice law in the state of Texas since 1987, the state of Illinois since 1989, and the state of Utah since 2018. I am admitted to practice in the United States Supreme Court and numerous United States Courts of Appeals. For over 35 years, my practice has included civil litigation in both state and federal courts.
3. I graduated with honors from Tulane Law School in 1987. After working for Hirsch, Robinson, Sheiness & Glover for nine years, first as an associate and then as a partner I joined the law firm Magenheimer, Bateman, Robinson, Wrotenbery & Helfand in 1996. In 2003, I joined Chamberlain Hrdlicka as a shareholder and remained there until 2016, when I joined Lewis Brisbois Bisgaard and Smith LLP. I have tried over 185 cases to verdict in state and federal courts and numerous others in arbitration. I am rated as “Preeminent” by Martindale Hubbell and I have been named as a Texas Superlawyer. Additional information can be found on my firm’s website at <https://lewisbrisbois.com/attorneys/helfand-william-s>.

**EXHIBIT A**

4. My rate for work on this matter is \$600.00 per hour. The rates for my partners assisting me in this matter are between \$450.00 and \$500.00 per hour, and the rate of the associate attorneys assisting on this matter, is \$350.00 per hour. These rates are reasonable and customary in the Southern District of Texas for this type of litigation. The fees charged in this case are those my law firm customarily charges for this type of work to other clients and is consistent with rates charged by others in this district for the same or similar services for an attorney with the same experience, reputation, and ability considering the controversy, the time limitations imposed, and the results obtained. Indeed, to produce the bill, I and several other lawyers have not included any of the time we have spent on this submission. As the Court has observed, Defendants have made this litigation quite expensive with numerous baseless motions and numerous efforts to appeal unappealable interlocutory rulings.
5. I have reviewed Lewis Brisbois' legal bills and submit that the charge of \$543,146.81 for attorneys' fees specifically charged for this litigation through October 29, 2024 is reasonable for fees for this litigation, based on the hours spent and considering several factors, such as: (1) the time and labor required; (2) the novelty and difficulty of the questions; (3) the skill requisite to perform the legal service properly; (4) the preclusion of other employment by the attorney due to acceptance of the case; (5) the customary fee; (6) whether the fee is fixed or contingent; (7) time limitations imposed by the client or the circumstances; (8) the amount involved and the results obtained; (9) the experience, reputation, and ability of the attorneys; (10) the "undesirability" of the case; (11) the nature and length of the professional relationship with the client; and (12) awards in similar cases. In addition, I am familiar with the billing practices and the fees customarily charged in the Southern District of Texas for counsel and representation of the nature that I, my partners, and our associates and legal assistant have performed in these proceedings.
6. Counsel for Lewis Brisbois were collectively required to dedicate hundreds of hours of legal services for various fee-incurring activities. I have personally performed or have supervised the performance of these legal services and I am familiar with the work performed in prosecuting this lawsuit. Again, this aggregate amount is far less than the number of hours attorneys of my law firm actually worked on this case because I regularly applied billing judgment to avoid duplicate effort and expressly chose not to bill most of my time to reduce the overall cost of this lawsuit to Lewis Brisbois and, eventually, the Defendants. I have also excluded any time for work done on any claim other than the Latham Act claims on which the firm prevailed and for which the court awarded the firm attorney's fees. To the extent the Court may find it helpful to determine any award of attorneys' fees, I am prepared to submit billing records, properly redacted to protect privileged information, copies of most of which I have previously provided Defendants and about which Defendants questioned me in my deposition in this case.
7. Lewis Brisbois' reasonable attorneys' fees for this litigation through October 29, 2024 are \$543,146.81. The services provided were necessary to prosecute Lewis Brisbois' claims against Defendants.

8. I declare under penalty of perjury that all of the foregoing is within my own personal knowledge and is true and correct.

FURTHER AFFIANT SAYETH NAUGHT.

  
\_\_\_\_\_  
WILLIAM S. HELFAND

SUBSCRIBED AND SWORN TO BEFORE ME, by the said, WILLIAM S. HELFAND, on this the 1<sup>st</sup> day of November, 2024, to certify which witness my hand and seal of office.

Subject: [EXT] Lewis Brisbois v. Bitgood transcript order

Good morning, Mr. Kotlarsky,  
I am in receipt of your transcript order. It actually was sent to Mayra Malone, but I was the court reporter. The cost is \$1,170.25 for 7-day delivery. You can send over a check to the courthouse, made out to Nichole Forrest, to the address below, or you can zelle me at [crnichole@gmail.com](mailto:crnichole@gmail.com). As soon as payment is made, I can begin the transcript -- when I return to the courthouse early next week. Would you please confirm how you will proceed so I can prioritize my workload? That would be really great.

I will let you know when payment is received. Thank you and Happy New Year! May 2023 be kind to us all! :)

Warm Regards,
